

## Give Thanks to the Lord!

**W**hat a gift we have been given! For it is by God's grace that we can partner in the work of God - seeking to love our neighbors as Christ has loved us!

Thank you for being a part! We pray that you will rejoice with us as we remember and thank God for some of the many ways He has blessed us this year!

HHH gives God thanks for:

- allowing us to be a small part of the great work He is doing in and through the people of Haiti.
- partnership with dedicated Haitian leaders who serve their neighbors with the love of Christ.
- many sponsors, individuals and foundations who pray and contribute toward the financial needs.
- the privilege of taking groups to Haiti to share and experience the love of Christ in action.
- pastors and leaders who have gone to teach and better equip our friends in Haiti as a response to their request.
- the groups who did electrical work, collected and delivered supplies, built benches and presented His truth to the children.
